HONDO

Hondo, the county seat of Medina County, is located on the Southern Pacific railroad, fifty miles west of San Antonio, and about twenty-five

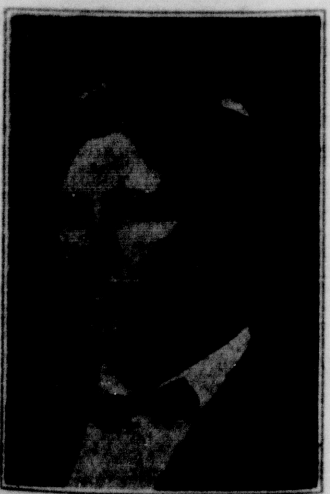

PROF. T. L. WILLIAMS

miles south-west of the Medina Valley Irrigation Company's possessions. Hondo has a population of twenty-five hundred of the usual hospitable

West Texas type, who will welcome Normal students and use every effort to make their stay both pleasant and profitable.

BUSINESS ENTERPRISES

Hondo is one of the largest cotton markets west of San Antonio. The

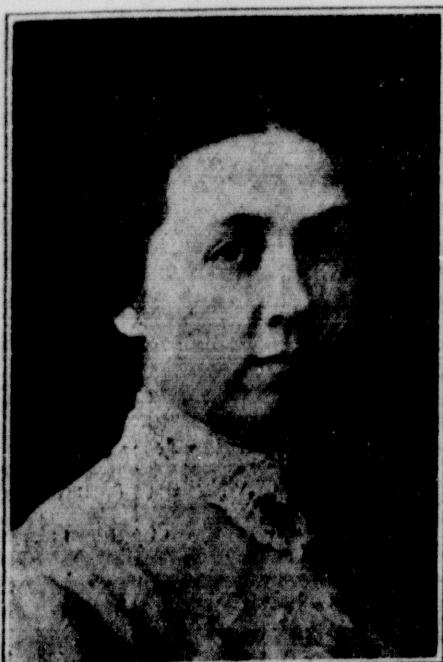

PROF. W. N. SAATHOFF

banks and business houses are modern and up-to-date, and rank high compared with the size of the town. Hondo also has an ice and electric light plant.

SCHOOL FACILITIES

Hondo has a fine brick two-story school building, costing \$25,000.00. The building consists of twelve well equipped rooms, including a physical laboratory, so essential to the

MISS MARY RENO NEAL

successful teaching of Physics, Chemistry and other sciences.

BOARD

Board is guaranteed at from fifteen [\$15] dollars, minimum, to twenty [\$20] dollars, maximum, in private homes.

TUITION

Six (\$6) dollars for one term, exclusive of the examination fee of one (\$1.00) dollar. For the entire term of eight weeks, eight (\$8.00) dollars.

EXAMINATIONS

This Normal offers an unusual opportunity with reference to the examinations. The first examination begins July 14 to 17. The second begins July 28-31. This enables the students to take part of the examinations at one time and the remainder at the second, as there will be sufficient interval to hear the result of the first examination before the second begins.

Board can be secured by applying to W. N. SAATHOFF, Hondo, Texas.

HON. COVEY C. THOMAS

County Judge of La Salle County, Texas

Judge Thomas is an enthusiastic supporter of Hondo's Summer Normal.

Biliousness and Constipation.

For years I was troubled with biliousness and constipation, which made life miserable for me. My appetite failed me. I lost my usual force and vitality. Pepsin preparations and cathartics only made matters worse. I do not know where I should have been today had I not tried Chamberlain's Tablets. The tablets relieve the ill feeling at once, strengthen the digestive functions, purify the stomach, liver and blood, helping the system to do its work naturally.—MRS. ROSA PORTS, Birmingham, Ala. These tablets are for sale by W. H. Windrow.

Mrs. Atkinson, a music teacher of New York, is staying with Louis Decker and family. She is giving the girls, Misses Lurine and Clara, piano and vocal lessons.

This remedy has a world wide sale and use, and can always be depended upon. Sold by W. H. Windrow.

Messrs. Fred. and Jul. Jagge and Chas. Suehs Jr. went to D'Hanis Monday, returning Tuesday with a bunch of horses.

Joe Frey's driver happened to an accident Wednesday evening while coming from San Antonio with a load of beer. His team took fright just a few hundred yards east of the Castroville Bridge and upset the wagon, spilling the kegs and ice in the road.

Your humble scribe and better half, Grandma Biry, Jacob Biry and his son, Henry, as chauffeur, enjoyed a pleasant ride in Mr. Biry's "Buick" Wednesday evening, going first to the Old Sauz where we spent a pleasant half hour with old time friends, thence we ran down and took in the city of Lacoste, and after taking one at C. Loesberg's saloon wended our way back to Castroville. Lacoste, thou hast certainly expanded since we saw thee last.

This Interests Every Woman.

A family doctor said recently that women come to him thinking that they have female trouble, but when he treats them for their kidneys and bladder, they soon recover. This is worth knowing, and also that Foley Kidney Pills are the best and safest medicine at such times. You cannot get better, purer medicine for backache, weary dragged out feeling, aching joints, irregular kidney and bladder action and nervousness due to kidney troubles. Try them. They are tonic in action, quick in results. W. H. Windrow.

Mrs. T. McClaugherty and Mrs. J. R. Chancey attended the W. C. T. U. convention in San Antonio this week as delegates from the local union.

The great calamity in Omaha was quickly overshadowed by the terribly disastrous floods in Ohio. Great suffering and sickness from colds and exposure resulted which Foley's Honey and Tar Compound helped to alleviate. L. Poole, 2217 California St., Omaha, writes: "My daughter had a severe cough and cold but Foley's Honey and Tar Compound knocked it out in no time. My wife would not keep house without it. We have used it for years, always with good results." W. H. Windrow.

Mr. and Mrs. C. W. Crow were down from Utopia this week visiting relatives. They made the trip in Mr. Crow's new Hudson runabout.

Rheumatism Quickly Cured.

"My sister's husband had an attack of rheumatism in his arm," writes a well known resident of Newton, Iowa. "I gave him a bottle of Chamberlain's Liniment which he applied to his arm and on the next morning the rheumatism was gone." For chronic muscular rheumatism you will find nothing better than Chamberlain's Liniment. Sold by W. H. Windrow.

Mr. and Mrs. Henry Meyer were here Wednesday from Dunlay and paid this office an appreciated call.

Cure for Stomach Disorders.

Disorders of the stomach may be avoided by the use of Chamberlain's Tablets. Many very remarkable cures have been effected by these tablets. Sold by W. H. Windrow.

Religious services were observed at both our churches Thursday.

A class of thirty-six children, fourteen boys and twenty-two girls received first Holy Communion at St. Louis church Thursday morning. Rev. Father Heckman officiating, and in the afternoon Rt. Rev. J. W. Shaw, Bishop of San Antonio, arrived and administered the rites of Confirmation to over one hundred white children Friday morning, and to a large number of Mexicans in the afternoon.

A nice rain, amounting to nine-tenths of an inch, fell here Saturday morning. Though light, it will be of great benefit to the crops.

Mr. and Mrs. J. A. Robison left Saturday evening for San Antonio on a visit to relatives and friends.

Mr. and Mrs. Ed Hans left today on a visit to relatives and friends at Del Rio.

Castroville, May 5, 1913.

A man living at Auburn, New York, had a severe attack of kidney and bladder trouble. Being a working man, not wanting to lose time, nor run up a heavy doctor's bill, he cured himself completely by using Foley Kidney Pills. A year later he says: "It is a pleasure to report that the cure was permanent." He has had no return whatever of the pain, backache and burning. His name is J. A. Farmer, and he says: "Of course I recommend Foley Kidney Pills as a very effective cure for kidney and bladder trouble." W. H. Windrow.

Rolf Balzen, Wm. Janssen and O. E. Behr were down from Knippa Wednesday on business. They made the trip in Mr. Balzen's car.

Eyes Sunken With Pain.

Three years ago I had a very bad spell of neuralgia which caused my eyes to become sunken and bloodshot with pain. Hunt's Lightning Oil was recommended and after using, the pain left and has not returned, says A. M. Coffey, 316 Van Buren street, Letchfield, Ill. This wonderful medicine is sold by all druggists everywhere.

Mrs. Frank Schroeder returned to her home in San Antonio Saturday after a week's visit to her aunt, Mrs. Ed de Montel.

Not Fit for Ladies.

Public sentiment should be against it, and we believe it is, there can be no reason why ladies should have to suffer with headaches and neuralgia, especially when Hunt's Lightning Oil gives such prompt relief. It is simply a question of getting the ladies to try it. All druggists sell Hunt's Lightning Oil in 25c and 50c bottles.

Miss Lucile de Montel arrived here Wednesday from Castroville for a few days' visit to her aunt, Mrs. H. B. Taylor.

What a Baptist Preacher Did.

This is to certify that I have used one box of Hunt's Cure for a Skin trouble and same cured me after using about \$8.00 worth of other ointments and salves. Nothing like Hunt's Cure for Skin troubles. Rev. H. T. Sizemore, Hemphill, Texas.

New Fountain Notes.

A much needed rain fell here Friday night, the precipitation amounting to two and a quarter inches. This has been the first rain of any consequence for some time, and crops of all kinds are very backward, owing to the dry and unfavorable weather that had been prevailing.

The program that was to have been rendered at the New Fountain High School Friday night, May 16, mention of which I had made in my last letter to the Anvil Herald, has, for some reason, been dropped.

He leaves a widow and several grown children to mourn his death.

Dr. Hartman's Plain Talk to Young Men

My plain talk to young men in my last article certainly brought out many responses from young men. I take this means of answering them briefly, for the benefit of other young men who did not write me. One writer says:

"I was greatly interested in your talk to young men. I wish I was strong and well as you describe yourself to be. I am going to begin at once and follow your advice and take care of myself as I ought to. I will quit the use of all stimulants, tea and coffee, go to bed early. I will take the cold water towel bath every morning. I want to live to be old and useful, like you. And I shall also keep Peruna at hand, in case of slight ailments as they may arise. I thank you in the name of thousands of other young men, like myself."

To this letter I replied:

THE BRAVE MEN.

HERE'S to the men who laugh in the face of grim despair. Who gather the tares and chaff. But sow with a cheerful air. Here's to the smiling man Who, giving, can take a blow And rise to the fight again. When others have laid them low.

Here's to the men who grin When plans that they build go wrong And straightaway new plans begin With courage and purpose strong. Here's to the glad, brave men Who, battling, expect a bruise And rise to the fight again. Undaunted by fights they lose.

Here's to the men who smile With faith in the morning light And bravely await the while Till victory crowns their fight. Here's to the fighting men That always need not succeed To rise to the fight again— The brave in defeat we need.

LOVE is the only despot against whose tyranny no nation ever rebels; his yoke is the twining of tender arms, and the crack of his whip is a guileless kiss. Love is a royal minstrel; he scales the harp strings of song and serenades the soul. Love rides on the wings of butterflies, and, with his silken lariat, lassoes strolling lovers and leads them down among the golden-roads and clover blossoms. Mothers' Day.

Governor Colquitt issued a proclamation designating Sunday, May 11th, as Mothers' Day. He urges all Texans to wear their mother's favorite flower and also a miniature flag in recognition of the educational advancement of woman-kind since the establishment of the United States government. Governor Colquitt's proclamation follows in full:

"I hereby designate Sunday, May 11th, as Mothers' Day and respectfully call upon all the people wherever assembled to recognize it as such, and on that day pay proper tribute to mother—to your own mother.

"Now there stood by the cross of Jesus his mother."—John XIX:25. When all others had forsaken him she was true and loyal. As a rule, this is true of all mothers. And we are admonished to honor our father and mother and are promised that our days shall be long if we do so. "Mid pleasures and palaces though we may roam, be it ever so humble, there's no place like home"—if a mother is there! Our mother ministers to us when we are sick, consoles us when we are distressed, encourages us in the performance of duty, and loves us whether we are right or wrong, and is forgiving even of our injustice to her.

"The world may turn its back to me, And make the most of evil done; It makes no odds what may befall, A mother's love lives through it all."

We honor ourselves when we honor our mothers. Now, therefore, in memory and in recognition of her goodness to all her children, I, O. B. Colquitt, Governor of Texas, do issue this proclamation and call upon all the people of Texas to properly observe the Second Sunday in May, the same being the 11th day of said month, as Mothers' Day.

Let due tribute be paid on that day to our mother where "two or three may be gathered together."

"As a further testimony to your mother, wear her favorite flower on the lapel of your coat and in recognition of the great progress the world has made in the recognition of and education of woman-kind since the establishment of the United States government, wear a miniature flag.

"Given under my hand and the great seal of the State of Texas at the capitol in Austin, this 1st day of May, A. D., 1913.

O. B. COLQUITT,
Governor of Texas."

About five years ago a little lady in Philadelphia, Pa., Miss Anna Jarvis, in memory of her mother, started the movement that has now assumed national proportions and that will in all probability become international. She launched the idea for the observance of Mothers' Day which found a ready response in the hearts of old and young. In 1908, proclamations setting aside the second Sunday in May as Mothers' Day were issued in many states and cities.

The white carnation has since been selected as the universal memory flower, symbolic of the most sacred at-

After Close Of School.

What shall I do with son and daughter after close of school? This question confronts many parents at this season of the year. We all concede that it is better to keep young people busy. Many times they are not qualified to be really useful in store and office, and they are usually not old and strong enough to do a man's work on the farm. It is then largely a matter of choosing between sending them to a summer school or letting them loiter about town. Surely this is the time to consider a business education of Bookkeeping, Banking, Shorthand and Typewriting.

The cost is small—around \$50 for a single course of Bookkeeping and Banking or Shorthand and Typewriting, and around \$85 for the two courses combined.

The San Antonio Business College, 307 Alamo Plaza, San Antonio, Texas, makes a specialty of these branches as well as Commercial Law, Business, Arithmetic, spelling, Penmanship, Rapid Calculation, etc.

Last year one Banker sent his own son to this college through summer vacation, and paid the way of three other ambitious students. The President of the college, Mr. H. C. Mitchell, will send catalogue and full particulars concerning the school upon request.

Paint-Wise

is to paint when your property needs it. Paint-foolish to wait for the price to go down.

But so many are foolish, they'll wait a good while.

The whole rise in the cost of a job is 10 per cent. The first year's drop won't be more than half that, more likely a quarter.

Waiting for 5 per cent, more likely 2 1/2. The average job (with Devco) is \$50; 5 per cent, \$2.50. Put it off for \$2.50? Guess not.

You think of that job as \$100. So it is with inferior paint.

Paint Devco; do it now, if your property needs it.

SUNNY BROOK THE PURE FOOD WHISKY

To arrive at the top in any department of commercial effort one must produce, offer and do better than has been produced, offered or done before. Fifty years ago we determined that Sunny Brook must be the finest whiskey distilled and aged in Old Kentucky and we have never deviated from this policy. Today we are known as the largest distilling of fine old whiskeys in the world.

Sunny Brook reached the top because it surpassed all others in mellow flavor, exquisite bouquet and tonic properties. The friends Sunny Brook made fifty years ago because of its high quality and purity are still its friends, and all over this broad land a majority of the discriminating public demands Sunny Brook and absolutely refuses substitutes of any kind. Sunny Brook is a real honest, straight Kentucky Whiskey and is bottled in bond. Every bottle is filled and then sealed with the "Green Stamp" under the direct supervision of U. S. Inspectors. COATED TONGUE MEANS LAZY LIVER

A Lazy Liver Needs a Dose of Dodson's Liver Tonic—Guaranteed to Take Place of Calomel

When your doctor looks to see if your tongue is coated, he is trying to find out if your liver is working properly. A few years ago doctors had to prescribe calomel—there was nothing else to give.

Recently in many sections of the country Dodson's Liver Tonic has practically taken the place of calomel as a liver remedy. Dodson's Liver Tonic is mild, pleasant tasting and harmless—which makes it a fine medicine for use when your children become bilious and constipated. But the most remarkable feature of Dodson's Liver Tonic is the fact that W. H. Windrow, who sells it, guarantees it absolutely. The druggist will return your money without argument if a bottle fails to give entire satisfaction.

Price 50 cents. We suggest that you get a bottle today and have it ready for the next member of your family whose liver goes wrong.

A MESSAGE TO WOMEN

Who are "Just Ready to Drop."

When you are "just ready to drop," when you feel so weak that you can hardly drag yourself about—and because you have not slept well, you get up as tired-out next morning as when you went to bed, then you need help right away.

Miss Lea Dumas writes from Malone, N. Y., saying: "I was in a badly run-down condition for several weeks, but two bottles of Vinol put me on my feet again and made me strong and well. Vinol has done me more good than all the other medicine I ever took."

If the careworn, haggard men and women, the pale, sickly children and feeble old folks around here would follow Miss Dumas' example, they, too, would soon be able to say that Vinol, our delicious cod liver and iron remedy, had built them up and made them strong.

It is a wonderfully strengthening and invigorating body-builder, and so sell it under an ironclad guarantee of satisfaction. You get your money back if Vinol does not help you.

Stiff neck is not only painful but annoying. To get rid of it quickly rub the affected part with Ballard's Snow Liniment. It penetrates the flesh and relaxes the muscles so that the pain ceases immediately. Price 25c, 50c and \$1.00 per bottle. Sold by W. H. Windrow.
